

Gently Used Shoe Collection

We need to collect 2500 pairs of gently used shoes by May 16th. Drop off locations are the **Somerset Humane Society, Aubuchon Hardware, and Madlyn's New and Used Clothing in Skowhegan and Treasures in Madison.** If you collect 25 or more pairs of shoes, we will come pick them up. The shoes benefit the Humane Society and will also be shipped overseas to impoverished countries to be reused.
